

All I want is you - 1/2

Interprété par 112.

2000, 2000

112, 112

And we won't stop

'Cause we can't stop

No we won't stop

'Cause we can't stop

I heard you got

Plenty of money

Plenty of clothes

An escalade, a Porsche

And a house on a hill

A platinum watch

Platinum rinds

Platinum cards

A condo in Beverly Hills

And they say that

You're a millionaire

But baby I don't really care

'Cause I just want

For you to see that

All I want is you

I heard you got Gucci belts

To match ya boots

Versace wear, Chanel

And Fendi suits

Purple light Benz

Purple light Lexus coupe

And you make sure

Ya friends are 'bout it to

And you say that

You're a millionaire

But baby I don't really care

'Cause I just want you

To see that

All I want is you

u are very pocheair

The way you dress

And girl the way you

Make me feel

Makes me want

You more and more

You're everything

I'm lookin' for

And I just need for you

All I want is you - 2/2

To see that
All I want is you

Baby I love your personality
I think you're everything
A woman should be
Like picture out of a magazine
Or a vision from
My wildest dreams
Makes me want you
More and more
You're everything
I'm lookin' for
And I just need for you
To see that all
I really want is you

[Repeat chorus five times]
