

## Hey! get out of my way - 1/1

Interprété par Cardigans.

Listen baby  
Thoughts has crossed my mind  
And it's clear now  
You are not my kind  
Oh! I've tried boy  
Better ways to say  
What I feel now  
It seems you plan to stay  
But I won't waste a day  
So I say...

Hey! get out of my way  
Hey! hey! hey!  
You've always been in my way

Hear now honey  
I'll be good to you  
If you stay gone  
Far out of my view  
I'm sick and tired  
Of your dramatic ways  
And when I think of  
All those wasted days  
I shake loose of your laces  
And say...

Hey! get out of my way  
Hey! hey! hey!  
You've always been in my way

This is all that I will say  
This is all that I will do  
I'm not in love with you!
