

Don t wanna lose you now - 1/1

Interprété par Backstreet boys.

I never thought
That I would lose my mind
That I could control this
Never thought that I'd be left behind
That I was stronger than you, baby
Girl if only I knew what I've done
You know, so why don't you tell me
And I, I would bring down
The moon and the sun
To show how much I care

Refrain :

Don't wanna lose you now
Baby, I know we can win this
Don't wanna lose you now
No no, or ever again

I've got this feeling
You're not gonna stay
It's burning within me
The fear of losing
Of slipping away
It just keeps getting closer, baby
Whatever reason to leave that I've had
My place was always beside you
And I wish that I didn't need you so bad
Your face just won't go away

Refrain

I never thought that I would lose my mind
That I could control this
Never thought that I'd be left behind
That I was stronger than you
Don't want to lose to loneliness
Girl I know we can win
Don't want to lose to emptiness, oh no
Never again

Refrain
