

# That's the way I like it - 1/1

**Interprété par Backstreet boys.**

That's the way I like it  
Somebody told me  
That you're not my kind  
Somehow I lost my mind  
You keep on doing all the things I like  
You got me hypnotized  
But that's the way I like it

Girl you make me wanna move  
It's a prize I've gotta pay  
For all the things you do  
But I like it

Pre- Refrain  
Gotta listen to the groove  
And you gotta listen well  
The way I do it  
That's the way I like it

Refrain :  
Everybody now (I like it)  
Everybody now,  
(That's the way I like it)  
Everybody come on (I like it)  
Everybody come on  
(That's the way I like it)

Oh mystery lady you've got something I like  
Tell me you're here to stay  
You're dangerous,  
So baby got to do me right  
Will you come out to play  
'cause that's the way I like it
