

As long as you love me - 1/1

Interprété par Backstreet boys.

Although loneliness
Has always been a friend of mine
I'm leaving my life in your hands
People say I'm crazy
And that I am blind
Risking it all in a glance
How you got me blind
Is still a mystery
I can't get you out of my head
Don't care what is written
in your history
As long you as you're here with me

Refrain :

I don't care who you are
Where you're from
What you did
As long as you love me
Who you are
where you're from
Don't care what you did
As long as you love me

Every little thing
That you have said or done
Feels like it's deep within me
Doesn't really matter
If you're on the run
It seems like we're meant to be

I've tried to hide it so
That no one knows
But I guess it shows
When you look into my eyes
What you did
And where you're comin' from
I don't care As long as you love me

Refrain
