

## Boys will be boys - 1/2

**Interprété par Backstreet boys.**

Oooh (x2) Boys will be boys (x2)

You've got something  
So incredible in my eyes  
My heart starts bumpin'  
When ever you're around  
The world's upside down,baby

But I try to get closer  
And you always push me away  
Tell me it's much too soon  
But I just can't help it  
I always gotta maka a play

Oooh (x2) Boys will be boys (bis)

All my senses,  
Go'round you all the time  
Ooh my invances, I never gonna hope  
Always gotta lose control  
I heard you say,  
That you think that we should wait  
And I can't hold on anymore  
My body's callin'for you  
So please don't hesitate

Oooh (x2) Boys will be boys  
You gonna know by now baby  
(x2)  
Oooh (x2) Boys will be boys  
Nanananananaaaaahhh

And I hear you say  
That you think that we should wait  
And I can't hold on anymore  
My body's callin'for you  
So please don't hesitate

Oooh (x2) Boys will be boys

Oooh (x2) Boys will be boys
