

I ll never break your heart - 1/2

Interprété par Backstreet boys.

Parlé

Baby I know you are hurting
Right now you fell like you could never love again
Now all I ask is for a chance
To prove that I love you

From the first day
That I saw your smiling face
Honey,I knew that we could be together forever

Ooh when I asked you out
You said no but I found out
Darling that you'd been hurt
You felt that you'd never love again
I deserve try honey just once
Give me a chance
And I'll prove this all wrong
You walked in,
you were so quick to judge
But honey he's nothing like me

Refrain :

I'll never break you heart
I'll never make you cry
I'd rather die than live without you
I'll give you all of me,
Honey,that's no lie
(X2)

As I walked by you
Will you get to know me
A little more better
Girl that's the way love goes
And I know you're afraid
To let your feelings show
And I understand
But girl it's time to let go
Girl,it's time to let go
I deserve try honey
Just once, Give me a chance
And I'll prove this all wrong
You walked in,
You were so quick to judge
But honey he's nothing like me
Darling why can't you see

I ll never break your heart - 2/2

Refrain

No way,no how, I'll make you cry

(Refrain to fade)
