

Time - 1/1

Interprété par Backstreet boys.

I know that I, I can't believe
Just what the path has brought me
To the man I wanna be
And I know that we have had some times
That we can't forget the struggle
'Cause we have so far to go
I know we have changed but
Change can be so good
So let's not forget why it's understood that...

CHORUS

Time, N Look where we are
And what we've been through
Time, Sharing our dreams
Every little bit of life with you
Time it goes on and on everyday,
Time is what it is come what may

I remember when mom used to say
That things are getting better
And you'll soon be on your way
Remember those days, that we would sing at the drop of a dime
Way back when nothing else mattered
I know we've changed but
Change can be so good
Oh, so let's not forget
Why it's understood that...

CHORUS

So here we are
And we'll always stay together
And through it all you know
We owe it all to you, you, you and you
(Time goes on, never stops, it keeps on)

CHORUS

Time, it goes on and on everyday
Time is what it is, come what may, come
