

## Another boyfriend - 1/1

Interprété par Backstreet boys.

Let's talk about one, baby  
You gotta hear me out  
Do you really wanna be the last to know  
What it's all about

Let's talk about two, you say  
He's the essence of your life  
But he'll eat you up from inside slow  
And then he doesn't wanna know  
I'm telling you,  
He'll eat you up from inside  
And then he doesn't wanna know

### CHORUS

Listen, I mean it  
There's nothing that he's worthy of  
He's just another player  
Playing in the name of love  
I've seen enough,  
Now this must come to an end  
Get another boyfriend

Let's talk about what he's done  
To become your number one  
Or was it all the promises of Diamonds, pearls and party dresses  
that turned you on  
I've seen it before, don't take anymore  
Three, two you're through for sure  
Just go get on with your life  
Stop acting like you've given up  
I'm telling you to go get on with your life  
Stop acting like you've given up

### CHORUS

Hear me out  
You must know  
What it's all about, baby  
That he's just a player in love  
This must come to an end  
Get another boyfriend
