

## X-girlfriend - 1/2

Interprété par Mariah Carey.

X-girlfriend

Ex-girlfriend you can't have him  
It's about time  
That you found you a new man  
He's moved on  
Don't you know, don't you know  
You gotta let him go,  
Let him go, let him go  
Ex-girlfriend you don't listen  
Stop trying  
He's not gonna give in  
He's not yours anymore  
Don't you know  
You gotta let him go  
Let him go, let him go

Hey ex-girlfriend  
It's too bad when you had him  
Y'all thing didn't work  
But he's all mine now  
So stop pursuing him  
Before you get your feelings hurt  
See our love is hot  
And no, it won't stop  
'Cause I got him on lock  
And although he rejects you  
It don't seem to affect you  
'Cause you just keep trying  
To get wit him

So don't, don't keep, keep calling  
Hanging up the phone  
When I answer I know it  
Tears you up inside and  
Why do you sit in silence  
On the other end  
'Till I hang up and you  
Predictably call right back again

REPEAT CHORUS

Hey ex-girlfriend  
Whatever your name is

I'm really not amused  
'Cause the things you do

## X-girlfriend - 2/2

Are very offensive  
And sometimes straight up rude  
All those late night calls and notes  
On his car  
Won't get you anywhere  
You can call his mom  
As much as you want  
And he won't really care

So don't, don't keep, keep calling  
Hanging up the phone  
When I answer I know it  
Tears you up inside and  
Why do you sit in silence  
On the other end  
'Till I hang up and you  
Predictably call right back again

### REPEAT CHORUS

I understand why  
You want him back  
But don't you know  
Our love's too strong  
For you to penetrate  
It's too late  
He's not your baby no more
