

## All At Once - 1/2

Interprété par Whitney Houston.

All At Once

All at once  
I finally took a moment  
And I'm realizing that  
You're not coming back  
And it finally hit me  
All at once  
All at once  
I started counting teardrops  
And at least a million fell  
My eyes began to swell  
And all my dreams were shattered  
All at once

Ever since I met you  
You're the only love I've known  
And I can't forget you  
Now I must face it all alone

Refrain:

All at once  
I'm drifting on a lonely sea  
Wishing you come back to me  
And that's all that matters now  
All at once  
I'm drifting on a lonely sea  
Holding on to memories  
And it hurts me more than you know  
So much more than it shows  
All at once

All at once,  
I looked around and found that  
you were with another love  
In someone else's arms  
And all my dreams were shattered  
All at once

All at once  
The smile that used to greet me  
brightened someone else's day  
She took your smile away  
And left me with just memories  
All at once

Ever since I met you

## All At Once - 2/2

You're the only love I've known  
And I can't forget you  
So I must face it all alone
