Could I Have This Kiss Forever
(duo avec Enrique Iglesias)

(Dame un beso para siempre)
Over and over I look in your eyes
You are all I desire
You have captured me
I want to hold you
I want to be close to you
I never want to let go
I wish that this night would never end
I need to know

Chorus:
Could I hold you for a lifetime
Could I look into your eyes
Could I have this night to share this night together
para siempre (2nd chorus)
Could I hold you close beside me
Could I hold you for all time
Could I, could I have this kiss forever
Could I, could I have this kiss forever, forever
and ever

Over and over I've dreamed of this night
Now you're here by my side
You are next to me
I want to hold you and touch you and taste you
And make you want no one but me
I wish that this kiss could never end no no
Oh baby please

Chorus

I don't want any night to go by
Without you by my side
I just want all my days
Spent being next to you
Lived for just loving you
And baby oh by the way

Chorus
