

# Broken Boy - 1/1

**Interprété par Dawson.**

Performed by Michal

Written by Michal Towber

I can be whatever you want me to be  
Just ask me nice and I'll be nice  
We kiss and say we will but we don't mean it  
And all the girls like you they tell me their secrets

**CHORUS:**

'Cause I'm nothing girl and nothing hurts  
when you're with me  
And you're broken boy  
and all your dreams are broken toys  
And I'll take your love  
and turn it into nothingness like me  
What have you done that you should feel so guilty?  
If you're not happy here  
darkness will follow you anywhere  
They might have the money and the fame  
But they can't hold a candle to my flame

**REPEAT CHORUS**

I can be whatever you want me to be  
Just ask me nice and I'll be nice

**CHORUS (2X)**

I can be whatever you want me to be
