

# I Want Love - 1/1

**Interprété par Elton John.**

I want love, but it's impossible  
A man like me, so irresponsible  
A man like me is dead in places  
Other men feel liberated

I can't love, shot full of holes  
Don't feel nothing, I just feel cold  
Don't feel nothing, just old scars  
Toughening up around my heart

But I want love, just a different kind  
I want love, won't break me down  
Won't brick me up, won't fence me in  
I want a love, that don't mean a thing  
That's the love I want, I want love

I want love on my own terms  
After everything I've ever learned  
Me, I carry too much baggage  
Oh man I've seen so much traffic

So bring it on, I've been bruised  
Don't give me love that's clean and smooth  
I'm ready for the rougher stuff  
No sweet romance, I've had enough
