

If walls could talk - 1/2

Interprété par Céline Dion.

Album : All the way... A decade of song

These walls keep a secret
That only we knew
But how long can they keep it
Cause we're two lovers who lose control
We're two shadows chasing rainbows
Behind closed windows
Behind closed doors

If walls could talk -oh
They would say "I want you more"
They would say "hey - never felt like this before"
And that you would always be
The one for me

Two people making memories
Just too good to tell
And these arms are never empty
When we're lying where we fall
We're painting pictures, making magic,
Taking chances,
Making love

If walls could talk -oh
They would say "I want you more"
They would say "hey - never felt like this before"
And that you would always be
The one for me
If the walls had eyes - my
They would see the love inside
They would see - me
In your arms and ecstasy
And with every move they'd know
I love you so

When I'm feeling weak
You give me wings
When the fire has no heat
You light it up again
When I hear no violins
You play my every string

So stop the press
Hold the news
The secret's safe between me and you

If walls could talk - 2/2

Walls - can you keep a secret?

If walls could talk -oh

They would say "I want you more"

They would say "hey - never felt like this before"

And that you would always be

The one for me

If the walls had eyes - my

They would see the love inside

They would see - me

In your arms and ecstasy

And with every move they'd know

I love you so
