

# Ice Queen - 1/1

**Interprété par Within Temptation.**

When leaves have fallen  
And skies turned into grey.  
The night keeps on closing in on the day  
A nightingale sings his song of farewell  
You better hide for her freezing hell

Chorus:

- On cold wings she's coming
- You better keep moving
- For warmth, you'll be longing
- Come on just feel it
- Don't you see it?
- You better belief it.

When she embraces  
Your heart turns to stone  
She comes at night when you are all alone  
And when she whispers  
Your blood shall run cold  
You better hide before she finds you  
Whenever she is raging  
She takes all life away  
Haven't you seen?  
Haven't you seen?  
The ruins of our world  
She covers the earth with a breathtaking cloak  
The sun awakes and melts it away  
The world now opens its eyes and sees  
The dawning of a new day

Chorus

Whenever she is raging  
She takes all life away  
Haven't you seen?  
Haven't you seen?  
The ruins of our world
