Ah hmm

(Baby baby) 3x

Ah ah

Run, baby run, baby run, baby run (2x)

(Ref)

Run baby, before I've got to think

You'd better run away

You'd better run baby run

(Verse 1)

You know there's something about you that I won't?

So I won't try to pretend how hard away

You know well trust me how and you just look at me that way

It's why I'm wanting you baby

You'd better run, baby run, baby run, baby run

Run baby run, baby run, baby run

Ref.

Ah

(Verse 2)

I've been looking for you girl oh through the night

And now I think of how'll (all?) I get you in my side

I'm gonna try my best and make you see the light

It's why I'm wanting you baby

You'd better run, baby run, baby run, baby run

Run baby run, baby run, baby run

Ref.

Oh oh oh...

Baby baby

You'd better run baby run...

Verse 2

Run baby run...
