

## Keep on moving - 1/1

Interprété par Bob Marley.

Lord I got to keep on moving  
Lord I got to get on down  
Lord I've got to keep on moving  
Where I can't be found, where I can't be found  
Lord they coming after me

I've been accused on my mission  
JAH knows you shouldn't do  
For hanging me they were willing yeah! yeah!  
And that's why I've got to get on thru  
Lord they coming after me

Lord I got to keep on moving  
Lord I got to get on down  
Lord I've got to keep on moving  
Where I can't be found  
Lord they're coming after me

I know someday we'll find that piece  
Of land somewhere not nearby Babylon  
The war will soon be over and Africa  
Will unite the children who liveth in  
Darkness have seen the great light

I've got two boys and a woman  
And I know they won't suffer now  
JAH forgive me for not going back  
But I'll be there anyhow  
Yes I'll be there anyhow

Lord I got to keep on moving  
Lord I got to get on down  
Lord I've got to keep on moving  
Where I can't be found, where I can't be found  
Lord they coming after me
