Album : Hot Shot

Chorus

They call me Mr. Hot Shot, baby can I do my thing
Don't stop, girl I like the vibe you bring
Knock knock, open up and let me in
We can do most anything, tell me do you like my swing (Repeat)

Verse I

Well tell me if you no hear
How the reggae lover him a run things this year
New tune fi buss and me have lyrics fi spare
No need to fear
Girl if you down with Mr. Lover put you finger inna the air
I love you walk
And I even like the raunchy way that you talk
You're the kinda girl that all the fellas all a stalk
Hound dogs a bark girl
Come let me discombobulate your parts

Chorus

Verse II

Well girl you better know she right ya now you is a part of the plan
I notice pon you finger she you wear a wedding band
No bother think say this is just a one night stand
No think I man a look you fi a slam
I tell you gal on top of how you look you know you have sex appeal
You're like a priceless gem whe every man waan fi steal
Expressing my emotions got to tell you how I feel
So baby come and let me know the deal

Chorus
