

Barracuda - 1/1

Interprété par Charlie's angels.

What ya gonna do when the angel's come
Ya move on; can't move them
I'm gonna get your kicks from the 911
It's moving; so soothing

Your passions deplete, it's just looking to feed
Your own fantasy
The blind side of you is a bad dream come true
That you can't see

[CHORUS]

From an Angel's Eye
Kiss Your Life Goodbye
From An Angel's Eye
Ain't no place to hide

Tell me what you see through an Angel's Eye
The halo; on fire
You never really know till it's do or die
Your devil's desire

Your running in place like a rat in a race
Going no where
The evil you speaks from the tongue of the freaks
So don't go there

[CHORUS]

[GUITAR SOLO]

What ya gonna do when the angel's come
What ya gonna do when you come undone
I'm gonna get your kicks from the 911
Ya so bad; can't hold them

From an Angel's Eye
Kiss your life goodbye
From an angel angel angel's eye
Ain't no place to hide

Fallen Angel
Fallen Angel
Fallen Angeeeeeeeeeeeeeeeel.
