Interprété par Mission impossible 2.

Take a look around  
I attention in the world today  
All the little girls fillin' up today  
When the goods come to bad, the bad comes to good  
But I'm gonna live a life like I should  
Now all the critics wanna hit it  
Shit can ever did it  
Because they don't get  
But I'll stay fitted  
Knew there committed  
Unless this red cap  
Gets a bad rap from his critics

Do we always gotta cry? (Gotta cry)  
Do we always gotta be inside a lie? (a lie)  
Life is just a blast  
Movin' very fast  
Better stay on top  
Or life will kick u in the ass

Follow me into a solo  
Remember that, kid  
So what you wanna do?  
The way you run  
When you starin' down a cable  
of a mic put it that you grill like a gun  
Limp Bizkit is rocking the set  
Its like Russian Roulette  
When you're placing your bet  
So don't be upset  
When your broke  
And your done  
Coz I'm gonna be the one  
Till i jet

I know why you wanna hate me  
I know why you wanna hate me  
I know why you wanna hate me  
Cause hate is all the world that's even seen me  
I know why you wanna hate me  
I know why you wanna hate me  
NOw I know why you wanna hate me  
Cause hate is all the world that's even seen me

## Take a loook around - 2/2

Now you wanna hate me  
Cause hate is all the world that's even seen me

Does anybody know the secret  
And the combination for this life and where they keep it  
Its kinda sad when you don't know the meaning  
But everything happens for a reason  
I don't even know what i should say  
I'm an idiot a loser and a phone abuser  
I analyze every second I exist  
Beaten on my mind every second with my fist

Everybody wanna run (run)  
Everybody wanna hide from the gun (gun)  
You can take that ride through this life you want  
You can't take that edge off that knife (no sir)  
And now you want your money back (money back)  
But your denied cuz your brains fried from the sac  
And there ain't nothing I can do  
Cuz life is a lesson you'll learn it when your through

I know why you wanna hate me  
I know why you wanna hate me  
I know why you wanna hate me  
Cause hate is all the world that's even seen me  
I know why you wanna hate me  
I know why you wanna hate me  
NOw I know why you wanna hate me  
Cause hate is all the world that's even seen me  
Why you wanna hate me  
Cause hate is all the world that's even seen me  
Now you wanna hate me  
Cause hate is all the world that's even seen me  
Now you wanna hate me  
Cause hate is all the world that's even seen me

(Now I know why..Now I know why..Now I know why)

Now I know why you wanna hate me
