

That type of girl - 1/3

Interprété par Mis-Teeq.

Thought it was good
I thought that we were tight
Hearing sweet words every day and night
Wanna give your all to me
There's no where else you'd rather be
Than with me

How could you believe that you could tell me lies?
All I had to do was look into your eyes
You can deny but
Honey you will find
Before long (Before long)
I'm gone (I'm gone)

See I'm not that type of girl
That you could mess about
I don't have the type of heart
So you can just breakdown
And I'm not the type of fool
To be cool with playing around
So if you're gonna try
Be that type of guy
Then it's goodbye (it's goodbye)

Good love, loyalty
Fidelity, trust
You keep telling me it's all about us
Boy don't you think that I can't see
You're playing me
Your love's not real
Not real

Think that you can creep
When I'm out on tour
Cos I'm on TV
You think that I won't know
When I'm making cash
You're knocking on my door
No more, No more, No more, No more

See I'm not that type of girl
That you could mess about
I don't have the type of heart
So you can just breakdown
And I'm not the type of fool
To be cool with playing around
So if you're gonna try

That type of girl - 2/3

Be that type of guy
Then it's goodbye (it's goodbye)

So you'd rather be with me
Get up on the mic, the one they call the M I C
How could you believe
You could play me
Break you down
We're gonna get lively
When a guy whispers sweet nothings in your ear
The motives are different
It seems to appear
Tear you down
Feel the atmosphere
Move on up
Move out of here
Break you down
We're gonna get lively
Break you down
We're gonna get lively

See I'm not that type of girl
That you could mess about
I don't have the type of heart
So you can just breakdown
And I'm not the type of fool
To be cool with playing around
So if you're gonna try
Be that type of guy
Then it's goodbye (it's goodbye)

See I'm not that type of girl
That you could mess about
I don't have the type of heart
So you can just breakdown
And I'm not the type of fool
To be cool with playing around
So if you're gonna try
Be that type of guy
Then it's goodbye (it's goodbye)

Break you down
We're gonna get lively
Break you down
We're gonna get lively

See I'm not that type of girl
That you could mess about
I don't have the type of heart
