

Woke up this morning - 1/1

Interprété par Nickelback.

I paid my last respects this morning on an early grave
Already said goodbye... nothin' left to say
A tiny church, a tiny town and not a tear was spent
Not how I wanted it... I'm hating all of this
Now I know why I hide my love from you somedays
No I don't mind keeping this bottled inside me
You came along and tore this wall down around me
Looks like you found me... now I know why
I felt like shit when I woke up this morning

I've been a loser all my life, I'm not about to change
If you don't like it... there's the door... nobody made you stay
There ain't a woman on the planet who can deal with it
Just how I wanted it... I'm hating all of this

Now I know why I hide my love from you somedays
No I don't mind keeping this bottled inside me
You came along and tore this wall down around me
Looks like you found me... now I know why
I felt like shit when I woke up this morning
