

## Silence - 1/1

## Interprété par Sarah McLachlan.

Feat Delirium

Give me release Witness me I am outside Give me peace

Heaven holds a sense of wonder And I wanted to believe that I'd get caught up When the rage in me subsides

Passion chokes the flower until she cries no more Possesing all the beauty hungry still for more

Heaven holds a sense of wonder And I wanted to believe that I'd get caught up When the rage in me subsides

In this white wave
I am sinking in this silence
In this white wave...in this silence...I believe

I can't help longing comfort me I can't hold it all in" if you won't let me

Heaven holds a sense of wonder And I wanted to believe that I'd get caught up When the rage in me subsides

In this white wave
I am sinking in this silence
In this white wave...in this silence...I believe
I have seen you...in this white wave you are silent
you are breathing in this white wave...I am free
