

Falling into grace - 1/1

Interprété par Red Hot Chili Peppers.

What ever never knew
That I could feel so good
Smile in your eyes
What ever never knew
That I could walk through wood
I guess I never tried
A million years old
But just a little girl
Vibin' off the gong
Rubbin' on the bowls
Make you float around
Make your lovin' strong

And when we get
In the same place
At the same time
It is your grace
That I want to
Fall right into now
To love avow

I'm falling into grace with you
I'm falling into guru muhk
I'm falling into grace with you
I'm falling into guru muhk

She moves in a rapture
That her capsule might
Land on your star
Meditating in the morning
Head dressed in white
Beauty bazaar

You can smell the purple light
Comin' from her heart
Get lost and wet
I treat you like a teacher
'Cause that's what you are
I wanna be your pet

And when we get
In the same place
At the same time
It is your grace
That I want to
Fall right into now
To love avow
