Purple stain - 1/2

Interprété par Red Hot Chili Peppers.

To finger paint is not a sin I put my middle finger in Your monthly blood is what I win I'm in your house now let me spin Python power straight from Monty Celluloid loves got a John Frusciante Spread your head and spread the blanket She's too free and I'm the patient

Black and white a red and blue Things that look good on you And if I scream don't let me go A purple stain - I know

Knock on wood we all stay good 'Cause we all live in Hollywood With Dracula and Darla Hood Unspoken words were understood

Up to my ass in alligators Let's get it on with the alligator haters Did what you did - did what you said What's the point yo what's the spread

Black and white a red and blue Things that look good on you And if I scream don't let me go A purple stain - I know And if I call for you to stay Come hit the funk on your way It's way out there but I don't care 'Cause this is where - I go

Knock on wood we all stay good 'Cause we all live in Hollywood With Dracula and Darla Hood Unspoken words were understood

It's way out there But I don't care 'Cause this is what I want to wear

Knock on wood we all stay good 'Cause we all live in Hollywood
