

Angel standing by - 1/1

Interprété par Jewel.

All through the night I'll be standing over you
All through the night I'll be watching over you
And through the bad dreams I'll be right there, baby
Holding your hand, telling you everything is all right
And when you cry I'll be right there
Telling you you were never anything less than beautiful
So don't you worry
I'm your Angel standing by
