

The little bird - 1/1

Interprété par Jewel.

here's a little bird somebody sent
Down to the Earth to live on the wind
Blowing on the wind
And she sleeps on the wind
This little bird somebody sent.

Light and fragile and feathered sky blue
Thin and graceful, the sun shining through
She flies so high up in the sky
Way out of reach of human eyes.

Light and fragile and feathered sky blue
Thin and graceful, the sun shining through
She flies so high up in the sky
Way out of reach of human eyes.

Light and fragile, she's feathered sky blue
Thin and graceful the sun shining through
And the only time that she touches ground
Is when that little bird, little bird
Is when that little bird, little bird
Is when that little bird dies.
