

This way - 1/1

Interprété par Jewel.

Love be still, love be sweet
Don't you dare change a thing
I want to photograph you with my mind
To feel how I feel now...all the time

Say that you'll stay forever this way
Forever and forever that we'll never have to change
Don't move, don't breathe
Don't change, don't leave
And promise me
Say you'll stay
Oh, we'll stay this Way

I get afraid
I don't think*ahead
Let's just stay this way in bed
Feels so good inside your arms
Home is everywhere that you are

(Chorus)

Voice over here:
Don't move don't breathe
Don't change don't leave
Promise me we'll always be
The sky 's so sweet
It's good to me
Promise me we'll always be
