

## Serve the ego - 1/1

**Interprété par Jewel.**

Mirror, mirror  
Do you like  
What you see?  
I'll dance for you  
If you dance for me  
Who says a woman  
Cannot serve?  
It would be my pleasure  
Who says it is  
Not my destiny  
To let you control me?  
Underneath the disco light  
Everybody's feelin' all right  
Get on your hands and knees  
And praise the new deity  
Serve the ego  
Serve the ego

Two ships sailing  
On a neon sea  
Eat the flesh  
Spit out the seeds  
Feathered hair  
And lame heels  
What turns me on  
Is so surreal

Underneath the disco light  
Everybody's feelin' all right  
Get on your hands and knees  
And praise the new deity  
Serve the ego  
Serve the ego

Tut tut, oh, to discover oh  
Oh no, you're yesterday's lover

Underneath the disco light  
Everybody's feelin' all right  
Get on your hands and knees  
And praise the new deity  
Serve the ego  
Serve the ego
