

# Everybody needs someone sometimes - 1/1

Interprété par Jewel.

Mary heard boys talking in voices low  
Said she weren't no spring chicken  
Like she didn't already know  
So she called up Jacksugar

Sister Mary used to be a nun  
She thought that she'd retire and have her some fun  
Mr. Joe of the Philadelphia Joes  
Well he walked in the post office one night (this is the only line I'm not sure  
of)  
He said hey sweetheart you know you look all right

I said  
Everybody needs someone sometime  
Everybody needs someone can't you see  
Everybody needs someone sometime

(Repeat chorus till fade out)
