

Somebody else's guy - 1/2

Interprété par Ophélie Winter.

(Ophélie Winter featuring Lââm & Suber)

Do you remember the times we spent together
Sharing the days in the sun
Then I found out that you were somebody else's lover
After all the plans we made, now were shattered
So I can't get off my high horse
I can't let go
You are the one who makes me feel so real
Oh what am I supposed to do
When I'm hooked so on you
Then I realise that you're somebody else's guy

That day in September, I'm sure you can remember
That's when all the stuff hit the fan
You told me a lie and you didn't have an alibi
And baby yet I still cared
Oh I loved you so baby that I can't let go no
You are the one who makes me feel so real
Oh what am I supposed to do
When I'm hooked so on you
And realise you're somebody else's guy

Rap Suber

So I can't get off my high horse
I can't let go
You are the one who makes me feel so real
Oh what am I supposed to do
When I'm hooked so on you
Then I realise that you're somebody else's guy

You know I loved you so baby that I can't let go
You are the one who makes me feel so real
Oh what am I supposed to do
When I'm hooked so on you
And then I realise that you're somebody else's guy

You know I loved you so much baby
And I cannot let you go no
You are the one who makes me feel so real
Oh what am I supposed to do
When I'm hooked so on you
And realise you're somebody else's guy
