

Smooth Chick - 1/1

Interprété par Missy Elliott.

Party time!

Come here baby let me blow your mind
I'ma spit shine like turpentine
I love niggas all different kinds
I'ma show you all how to work your spine
If you a playa then you sure ain't mine
I'ma cut you off like you're circumcised
I'ma real chick, an to no surprise,
That if you battle me, then you must realize

HOOK 1:

I'ma smooth chick, I'ma cool chick
I got gats so don't make me use it
I'ma shake my ass down to the music

Come on baby let's do the bump
Keep drinking up til you get me drunk
Don't front smoke a pound of funk
Something real quick like uunh uunh!
Got tens in the back of the jeep
If you got a friend, and he all on me
Could it be he a fan of me?
Or could he see that I'm Missy?

HOOK 1:

I'ma smooth chick, I'ma cool chick
I got gats so don't make me use it
I'ma shake my ass down to the music

Eh baby! Why you tripping for?
Cause I'm on top and you're down below
You want me and you want my dough
Cause if it's my dough then you can hit the door
Eh yo boo I think you know,
That I got gats an they crack the floor
Missy take shit no more, so all that talk is a no, no, no...

(Hook 1 repeats 4 times)
