

## Mr. D.J. - 1/2

**Interprété par Missy Elliott.**

[Saw]

It's all about Lady Saw and Missy  
An the next thing about the bashing party  
I'm feeling you Timbaland, I'm feeling you

[Missy]

There's a party, I'm up in the club  
An I'm drinking I'm drunk off the Alize  
As I hear the record spin it seems to take over me  
So I move side to side an its something inside  
That controls me, as I walk to the DJ an I say

HOOK 1:

Mr. DJ spin it one more time  
We gonna play it back to back  
Rock it two times,  
Move your feet with me, move your hands with me,  
See its gonna be easy for me and you, you see

HOOK 2:

Mr. DJ spin it one more time  
We gonna play it back to back  
Rock it two times  
Move your feet with me, move your hands with me  
See how easy its gonna be for you

You say you're a baller  
Cause you up in the club,  
Fakin' like you got dough, with your dollars  
To my people spending money let me hear you holler  
We're gonna party like no other party  
Don't stop til the morning  
But before I go this is what I'll say

HOOK 1:

Mr. DJ spin it one more time  
We gonna play it back to back  
Rock it two times,  
Move your feet with me, move your hands with me,  
See its gonna be easy for me and you, you see

HOOK 2:

Mr. DJ spin it one more time  
We gonna play it back to back  
Rock it two times  
Move your feet with me, move your hands with me  
See how easy its gonna be for you
