Please mom
You ground me all the time
I know that I was right all along
And I'm hoping
Remember I'm a kid
I know not what i did just having fun

You couldn't wait
For something new
And yesterday
I thought of you
It left me to think as if
I couldn't walk away
It's too late
I fell through,

Nothing to lose
a boy who went out when he finished
all his chores, notihng to do, you
can't trust me becuase i blew it once before,
shit dad, please don't kick my ass,
i know i've seen you trash at least one time,
can i blame it, on one of my dumb friends,
it's been awhile since i have used that line,
you couldn't wait, for something new,
and yesterday, i thought of you,
it left me to think as if i couldn't walk away
it's too late, i fell through, nothing to lose,
a boy who went out when he finished all his chores,
nothing to do, you can't trust me,
becuase i blew it once before (alright) nothing
to lose, a boy who went out when he finished
all his chores, nothing to do, you can't trust me,
because i blew it once before.
