

## Waggy - 1/1

**Interprété par Blink 182.**

Watching your house shrink away in my rear-view mirror as i drive away.  
Wishing that I could take back all those words that meant nothing that i  
didn't say. I'm trying to be what you want me to be  
But it's so damn hard to keep playing the part of the fool week after  
week.

I think you need some time alone  
You say you want someone to call your own  
Open your eyes you can suck in your pride  
You can live your life all on your own

Is this all going to be just another time that we play this game ? I've  
tried to convince you that things could be different but somehow they  
end up the same. But what did you expect from me what am I supposed to  
do ? you say that you're starting to feel like you're getting lost- well  
I do too.

I'm dont wanna live this lie again  
I know I'll get it right but I don't know when  
I'll open my eyes I've got something inside  
I'll just jack off in my room until then

It's never over till it's done and I don't think that you're the one
