**Interprété par Blink 182.**

i think of awhile ago, we might have had it all,  
but i was so stupid then, you needed time to grow,  
and now just as things change, as well my feelings do,  
in time things rearrange, i am so sick of chasing you,  
but what do i get 'cause i just seem to lose,  
you make me regret, those times i spent with you, and  
playing those games as i wait for your call,  
now i give up, so goodbye and so long,  
it's not a change of pace, this time i'll get it right,  
it's not a change of taste, i was the one there last night,  
you have your other friends they were there when you cried,  
didn't mean to hurt you then, best friends just won't  
leave you side, but what do i get 'cause i just seem  
to lose, you make me regret those times i spent with you,  
and playing those games as i wait for your call, and now  
i give up, so goodbye and so long, it's not a change of  
pace, this time i'll get it right, it's not a change of  
taste, i was the one here last night, when i needed you  
most when i needed a friend, you let me down now like i  
let you down then, so sorry, it's over (ahh....)
