

Life's an ocean - 1/1

Interprété par The verve.

Life 's An Ocean

Too much commotion, too much emotion

Dragging me down

Living for today, don't have time to pray

Ready for the game

Take a line of fickle flame

Imagine the future

Woke up with a scream

I was buying some feelings

From a vending machine

Say that I will see

Something more than I have

There 's something inside of me

Crying out for something else

And if someone hears my scream

Put it in a letter to me

Slippery slidey road down

Life 's an ocean too much commotion

Not enough emotion to satisfy me

Slippery slidey road down

It 's slippery slidey road down

Hold my hand and we'll walk down

Dry those eyes and we'll walk down

Slippery slidey road down

Life 's an ocean, life's an ocean

Too much commotion, too much emotion
