

Leave me high - 1/1

Interprété par Richard Aschcroft.

leave me high
leave me looking
leave me low
leave me warm
no love can fulfil
like this love that you give
leave me high
leave me looking
over mountains in the heavens
no love can fulfil
like this love that you give

wasted moments come together like a ball on a string your love take me higher realise everything take those chains from your heart and soul and take those chains from your heart and soul

take those chains from your heart and soul and take those chains from your heart and soul yeah like a slow train and take those chains from your heart and soul yeah like a slow train and take those chains from your heart and soul yeah like a slow train and take those chains from your heart and soul and take those chains from your heart and soul and take those chains from your heart and soul through the mountains over heavens through the mountains over heavens leave me high leave me looking
