

Slow was my heart - 1/1

Interprété par Richard Aschcroft.

Slow was my heart
And so you have gone

So we move on
Please stay strong

It keeps on turning yeah yeah
For everyone
We keep on learning yeah yeah
To kiss the sun

Weak was my strength
Your hand I should have lent

So we move on
Please stay strong

It keeps on turning yeah yeah
For everyone
We keep on learning yeah yeah
To kiss the sun
Like everyone

Fly, fly my plane
To an eastern runway

And tell me why
Love must die

It keeps on turning yeah yeah
For everyone
We keep on learning yeah yeah
To kiss the sun
I'm just like everyone
I'm just like everyone
I'm just like everyone
Mmm mmm
For everyone
Keep on learning yeah yeah
Keep on learning yeah yeah
Keep on learning yeah yeah
Keep on learning yeah yeah
