

A song for the lovers - 1/2

Interprété par Richard Aschcroft.

I spend the night
Yeah looking for my insides
In a hotel room
Waiting for you

We're gonna make it tonight
Yeah something in the air
Tells me the time is right
So we'd better get it on

And DJ play a song for the lovers tonight
Please play a song for the lovers tonight

Don't wanna wait
Lord I've been waiting all my life
But I'm too late again
I know but I was scared

Can't you see
Oh I'm moving like a train
Into some foreign land
I ain't got a ticket for this ride but I will

Ooh to the soul of my lover tonight
And DJ play a song for my lover tonight

And DJ play a song for my lover tonight
Please play a song for the lovers tonight
Can't stop looking back no no
One more for the lovers
One more the the lovers
All night
All day
All night
All day

Oh brother won't you lend a hand
I'm alone in a room and I'm waiting for love
I don't know when this dreams gonna stop
But I'm telling you friend I don't wanna get up

Oh brother won't you lend a hand
I'm alone in a room and I'm waiting for love
I don't know when this dreams gonna stop
But I'm telling you friend I don't wanna get up

In my midnight hour

A song for the lovers - 2/2

In my midnight hour
You take me up
You take me up
