

## Sitting down here - 1/1

**Interprété par Lene Marlin.**

Your words cuts rather deeply, they're just some other lies  
I'm hiding from a distance, I've got to pay the price  
defending all against it, I really don't know why  
you're obsessed with all my secrets, you always make me cry  
You seem to wanna hurt me no matter what I do  
I'm telling just a couple, but somehow it gets to you  
but I've learned to get revenge and I swear you'll experience that some day

I'm sitting down here, but hey you can't see me  
kinda invisible ... You don't sense my stay  
not really hiding, not like a shadow  
just thought I would join you for one day  
I'm sitting down here, but hey you can't see me

I'm not trying to avoid you, just don't wanna hear your voice  
when you call me up so often, I don't really have a choice  
you're talking like you know me, and wanna be my friend  
but that's really too late now, I won't try it once again  
you may think that I'm a loser, that I don't really care  
you may think that it's forgotten, but you should be aware  
cause I've learned to get revenge and I swear you'll experience that some day

I'm sitting down here, but hey you can't see me  
kinda invisible ... You don't sense my stay  
not really hiding, not like a shadow  
just thought I would join you for one day  
I'm sitting down here, but hey you can't see me  
kinda invisible ... You don't sense my stay  
not really hiding, not like a shadow  
but sure I wanna join you for one day

You seem to wanna hurt me no matter what I do  
I'm telling just a couple, but somehow it gets to you  
but I've learned to get revenge and I swear you'll experience that some day

I'm sitting down here, but hey you can't see me  
kinda invisible ... You don't sense my stay  
not really hiding, not like a shadow  
just thought I would join you for one day  
I'm sitting down here, but hey you can't see me
