Always In My Heart

Where do they get off tellin' you
That I am not the least bit into you
Just tell me how the hell they can tell you
They know what's in my heart

What do they get from tellin' you
That I don't give a damn about you
Just tell me why the hell somebody wants to
Tear your heart apart

Oh, why, oh, why, oh, why, oh, why, oh, why
Why do them people have to tell you lies
I know, I know, I know, I know, I know
I love you more than words could ever show

I can't, I can't, I can't, I can't explain
Why do some people have to be that way
I can't take much more, I can't ignore
I have to let you know what's in my heart

If I never ever say that love you
Just remember, girl, I'm sayin' I do
You can know that from this moment
You are always in my heart

If I never ever say that I love you
Just remember, girl, I'm sayin' I do
Love you
You'll be always in my heart

They're not the ones who'll be there for you
When you need someone to turn to
They won't be anywhere, be anywhere
When things start falling down, oh, yeah, yeah

They're only in it to confuse you
So they can turn around and use you
But it can't happen, it won't happen, girl
As long as I'm around

Oh, why, oh, why, oh, why, oh, why, oh, why
Why do some people have to tell you lies
I know, I know, I know, I know, I know
I love you more than words could ever show

If I never ever say that love you, yeah
Just remember, girl, I'm sayin' I do (Sayin' I do, yeah)
You can know that from this moment
You are always in my heart (Baby)

If I never ever say that I love you, baby
Just remember, girl, I'm sayin' I do (I do)
Love you (Love you, baby)
You'll be always in my heart

Oh, why, why, why, why, yeah
Why did you have to listen to the lies
Oh, girl, my sweet girl
There's only you inside my world

Oh, please, baby, please, yeah
I wish you could believe me
Right now, right now
If only you could know

If I never ever say that love you
Just remember, girl, I'm sayin' I do
You can know that from this moment
You are always in my heart, baby

If I never ever say that I love you, babe
Just remember, girl, I'm sayin' I do (That I do)
Love you (Love you, yeah)
You'll be always in my heart (And baby, baby)

If I never ever say that love you (You better believe it)
Just remember, girl, I'm sayin' I do (You got to believe it, baby, yeah)
You can know that from this moment
You are always in my heart (Yeah, yeah)

If I never (Uh, huh) ever say that I love you, baby
Just remember, girl, I'm sayin' I do (That I do)
Love you (Love you)
You'll be always in my heart (Yeah, baby)

If I never ever say that love you (Yeah)
Just remember, girl, I'm sayin' I do (You got to believe me)
You can know that from this moment
