

Letters To You - 1/1

Interprété par Finch.

Can't you see that I wanna be
There with open arms
It's empty tonight and I'm all alone
Get me through this one

Do you notice I'm gone?
Where do you run to, so far away

I want you to know that..
I miss you
I miss you so

I'm writing again these letters to you
Aren't much I know
But I'm not sleeping and you're not here
The thought stops my heart

Do you notice I'm gone?
Where do you run to, so far away

I want you to know that..
I miss you
I miss you so
