Young girl don't cry
I'll be right here when your world starts to fall
Young girl it's alright
Your tears will dry, you'll soon be free to fly

When you're safe inside your room you tend to dream
Of a place where nothing's harder than it seems
No one ever wants to bother to explain
Of the heartache life can bring and what it means

When there's no one else look inside yourself
Like your oldest friend just trust the voice within
Then you'll find the strenght that will guide your way
You'll learn to begin to trust the voice within

Young girl don't hide
You'll never change if you just run away
Young girl just hold tight
Soon you're gonna see your brighter day

Now in a world where innocence is quickly claimed
It's so hard to stand your ground when you're so afraid
No one reaches out a hand for you to hold
When you look outside look inside to your soul

When there's no one else look inside yourself
Like your oldest friend just trust the voice within
Then you'll find the strenght that will guide your way
You'll learn to begin to trust the voice within

Life is journey
It can take you anywhere you choose to go
As long as you're learning
You'll find all you'll need to know
(be strong)
You'll break it
(hold on)
You'll make it
Just don't go forsake it because
No one can tell you what you can't do
No one can stop you, you know that I'm talking to you

When there's no one else look inside yourself
Like your oldest friend just trust the voice within
Then you'll find the strenght that will guide your way
You'll learn to begin to trust the voice within
