

# Asshole Car Orchestra - 1/1

**Interprété par Dionysos.**

Screaming cars are bleaching the stars  
I run like a horizontal drop of rain  
Bus station cancels my run  
My crescent gaz in this Woogie Boogie Grave

My hat is fat all my dreams I'm livin' in  
I jazz my run to fly over a dog shit slalom  
My fuzzy thumb like a statue in the sky  
I'm in charge of an Asshole Car Orchestra

Asshole Car (?) in my walkman

Asshole car orchestra, I'm in charge of an ass car crash  
Asshole car orchestra, I'm in charge of an ass car crash  
I can't believe in you, I'm in charge of an ass car crash  
I can't believe in you, I'm in charge of an ass car crash

Screaming cars are bleaching the stars  
I run like a horizontal drop of rain  
Bus station cancels my run  
My crescent gaz in this Woogie Boogie Grave

My hat is fat all the dreams I'm livin' in  
I jazz my run to fly over a dog shit slalom  
My fuzzy thumb like a statue in the sky  
I'm in charge of an Asshole Car Orchestra

Asshole car orchestra, I'm in charge of an ass car crash  
Asshole car orchestra, I'm in charge of an ass car crash  
I can't believe in you, I'm in charge of an ass car crash  
I can't believe in you, I'm in charge of an ass car crash

Woogie Boogie Grave (x8)

Screaming cars are bleaching the stars  
I run like a horizontal drop of rain  
Bus station cancels my run  
My crescent gaz in this Woogie Boogie Grave  
My hat is fat all my dreams I'm livin' in  
I jazz my run to fly over a dog shit slalom  
My fuzzy thumb like a statue in the sky  
I'm in charge of an Asshole Car Orchestra  
And I can't believe in you, I'm in charge of an ass car crash
