

## Sick Philharmonic Body - 1/1

**Interprété par Dionysos.**

All your fingers are strings  
All your fingers are strings  
Of your sick and sick, sick philharmonic body  
The break beat of your heart is made to make art  
The break beat of your heart is made to make art

We'll see each other again  
We'll see each other again  
All your fingers are so strange  
When you put them on my back  
We'll see each other again  
We'll see each other again

The break beat of your heart is made to make art(X8)

We'll see each other again  
We'll see each other again  
All your fingers are so strange  
When you put them on my back  
We'll see each other again  
We'll see each other again

We'll see each other again  
We'll see each other again
