

Running - 1/2

Interprété par No Doubt.

Run, running all the time
Running to the future
With you right by my side

Me, I'm the one you chose
Out of all the people
You wanted me the most

And I'm so sorry that I've fallen
Help me up, let's keep on running
Don't let me fall out of love

Running, running as fast as we can
Do you think we'll make it?
Do you think we'll make it?
We're running, keep holding my hand
So we don't get separated

Be, be the one I need
Be the one I trust most
Don't stop inspiring me

Sometimes it's hard to keep on running
We work so much to keep it going
Don't make me want to give up

Running, running as fast as we can
I really hope we make it
Do you think we'll make it?
We're running, keep holding my hand
So we don't get separated

Running as fast as we can
I really hope we make it
Do you think we'll make it?
We're running, keep holding my hand
So we don't get separated

The future

Running, running as fast as we can
Do you think we'll make it?
Do you think we'll make it?
We're running, keep holding my hand
So we don't get separated

Running as fast as we can

Running - 2/2

I really hope we make it
Do you think we'll make it?
We're running, running, keep holding my hand
So we don't get separated
