

Hyper-insomnia-para-condrioid - 1/1

Interprété par Sum 41.

the silence is still ringing in my head/ stuck on repeat/no much longer I'll be dead so just forget me
/I'm losing my mind and I don't think you could save me this time

And it goes on and on /and i just fell helpless/how long will this take to wear out
on and on/when will I get through this /welcome to my own down and out

I'm crawling deeper in this hole/to disaster/i'm gripping what I thought contrle was falling
faster /i'm losing my mind and I don't think you could save me this time

and it goes on and on / and I just feel helpless / how long will this take to wear out /
on and on when will I get through this /wecom to my own down and out

I'm wearing thin/I can't stop this walls will keep caving in /It's gone to far /where is my
mind /why can I stop fear this paranoïa/It's a never ending story/who start whith me / it's a never
ending story/ who start whith me

and it goes on and on

ITs never ending /i'm falling futher /welcome to my own down and out
