

Free - 1/2

Interprété par Mya.

Everybody knows that yeah I'm kinda shy
And I'm not the kinda girl
who could ever approach a guy
But I wanna find a way to
get you to notice me
I got a four wheel drive, 5'5", brown eyes,
Then maybe you can handle these
Because I'm free

HOOK

Free...single, sexy and sweet
Makin' my own money
Lookin' for the right party
And if you're free... spit your best game at me
If you like what you see
Maybe I'll let you share my fantasy

Now, I don't need a man in my life
tryin' to tie me down
And I don't want no playa
who got kids all over town
Don't want his curl juice drippin'
all over my Mercedes seat
I can't stand a man who tinks
he looks better than me
I'm lookin' for a brother who like to have fun
A fly gentleman who knows
how to please a woman
The last thing I need is a man that's soft
He better get it on up and break me off
Some a that fly high rise, 6' 5", ain't shy
An that's the kinda man I need
Because I'm free

HOOK

REPEAT HOOK

BRIDGE

Mmm...
If you're having a good time, just let go
and don't be shy
Come on yeah... oh yeah
If you're down to do whatever
Then let's sing this song together

Free - 2/2

I'm free, oh come on and be free with me

HOOK

CHANT

Everybody in the house... high rise
All the brothers up in here... 6' 5"
Gotta get in on up... Get high
You know you lookin' good tonight... tonight
All the ladies in the house... 5' 5"
Gotta show' em whatcha got... thick thighs
Freak' em on the floor... Get high
You know you lookin' good tonight... tonight

DISCO BREAK

Ooh boy you look so good to me,
you might get lucky
'Cause I feel free tonight, are you available
Did you come here alone,
won't you hang out with me
I'll freak you on the dance floor
